

# Youth Protection Essentials

It's as Simple as 1-2-3

## No 1-on-One

The no one-on-one rule is in place for youth protection so no boy is ever alone with an adult. This is for both the protection of the boy and the adult.

## 2-Deep Leadership

The two-deep rule is in place for safety so there is always a minimum of two Registered Adults in proximity to provide backup and oversight.

## Buddy System of 3

The buddy system of three helps keep youth safe from abusive youth when out of sight of adult leadership. Buddies must be of the same program level.

Complete Child Safety Youth Protection policies and additional guidelines are found in the current version of the Health and Safety Guide.
