## Membership Overview

Membership is open to boys ages 5 to 18, who agree to the [Trail Life USA Membership Standards](#). Parents are encouraged to take an active role in their son's program, and to become Registered Adults so they can provide support for their son(s) and Troop when needed.

NOTE: 5-6 year olds are required to have at least one parent in attendance. Drop-Off is discouraged for all ages.

Our local troop follows the school year running from August to May, and we welcome new members throughout the year.

An Annual Open House in August assists prospective and existing members with information and administrative needs. Prospective members are encouraged to visit a Thursday meeting before deciding whether to join our troop and should make a decision to join by their 3rd meeting.
