

How to use and print out your families QR code to share with customers.

You can use Venmo in at least two ways: Either give the customer your

VENMO ACCOUNT NAME OR ask the customer to SCAN YOUR VENMO QR code.

Here is how to get your VENMO ACCOUNT NAME or print your VENMO QR:

1) Download App Alan Casey **2a) Venmo account name** to share

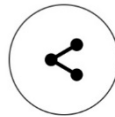

@AlanCasey

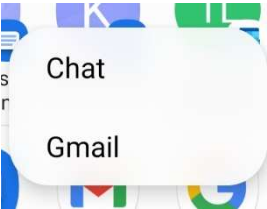

2b) OR Print QR - Press button (Scan code, Venmo me, Show to pay)

3) Select Venmo me

4) press button (Share link)

5) Select email

6) open email and download QR

7) Print QR
